Hi Desean,

See attached. We didn't send a substantiation form letter to CES but to SEI and IHS rather since they are the owners of the information claimed to be confidential (CES purchased the information from the two companies).

Calvin,

Can you please send the substantiation form letter that EPA sent to CES? I'm about to send the draft CBI determination letter to Ivan but ran into some issues with the template that I was working from. I checked in with Sandra Leon and OGC and they have some concerns with the letter.

Thanks  
Desean

Hi Jenny and Desean,

I know it has been a while since our last discussion on this but I have drafted the attached memo for recommendation on confidentiality determination for certain figures included in the CES permit application. Please review the memo in Word and make any edits/revisions needed.

Also attached for your reference are SEI's response to our request for CBI substantiation and its enclosures.

Thanks,  
Calvin
